

# March Toddler

## Skill Focus

- Uses two to four word sentences
- Responds to simple two-step directions
- Fills in words to familiar story
- Repeats numbers 1-10
- Sorts by color and begins to sort by size
- Engages in multi-sensory activities

## Home Enrichment

In a child's mind, even the smallest nook or cranny can become a hideaway, a fortress, or a teahouse. Create your child's own pint-sized private world, ripe for imagination and exploration or even just an afternoon snooze. Use a corner of her room to erect a small fabric teepee (canvas over PVC pipe, wooden dowels, or even bamboo sticks from a garden shop work great) or a circus tent made out of a big, colorful sheet or parachute.
