

Classroom Corner

Beginner B

Ms. Carolyn & Ms. Trish

The leprechauns are coming! The leprechauns are coming! March is officially here. We are gearing up for a month full of green, lots of fun and beautiful weather. Keep an eye out for our party sign-up sheet and the parent board in the office for upcoming events. This month our class will focus on developing skills like acting out events, mixing primary colors, matching shapes, verbally stating our first and last names. Be sure to mark your calendars for: March 2nd-School Closed, March 2nd-6th Dr. Seuss week, March 8th Daylight Savings & March 17th-St. Patrick's Day party.

Intermediates

Ms. Lilia, Ms. Kelly

This month the children will be introduced to and practice new LTL skills. Our class is learning to add together two groups of objects using various fun materials. The class will also learn about different forms of transportation and begin to understand the meaning of traffic lights. Children will be introduced to new Spanish vocabulary. Friends will discuss types of technology used in different Occupations. We are looking forward to making our own pizzas on March 12th, celebrating St. Patrick's Day on the 17th and wishing Danica a HAPPY birthday on the 29th!

Pre-K

Ms. Angie & Ms. Hayley

The Pre-K class had a wonderful month. We would like to welcome several new friends to our class. March will bring fun celebrations like Dr. Seuss' birthday and St. Patrick's Day. We plan to read some of our favorite Dr. Seuss books in celebration of him as an Author. The class will be learning to predict weather and identify and use all five of our senses. We will also be learning new Math games to help with counting and following directions. We look forward to bubble exploration later this month. Our class will be making an indoor garden so we are requesting an empty milk jug or 2 liter bottles for our project. Thank you!

Pre-K 2

Ms. Judy & Ms. Desiree

In February we learned fun facts about Groundhogs and we traced and measured our shadows. We also showed our family and friends how much we love them when making them sweet Valentines. Our friends had a wonderful time celebrating Mardi Gras, Chinese New Year and receiving a special visit from the Tooth Fairy! We will start March off with a celebration of Dr. Seuss' birthday as we think of and say silly rhyming words and count 1 fish, 2 fish, red fish and blue fish! We look forward to our bubble adventure with bubble gum, bubbly soap and money bubbles. The students are doing a wonderful job reading, spelling, clapping and snapping our sight words. St. Patrick's Day will be celebrated with a class party on the 17th.
