

Classroom Corner

This section is written by our amazing Merryhill teachers.
It is a place for you to find specific information about your child's classroom.

Infants

Ms. Amber & Ms. Jen

Changes were in the air for April in the Infant room. Not only did Ms. Jessica start with us, but room design also changed! The babies learned all about spring time. The babies' favorite activity was going outside to read books and enjoy the spring weather. We look forward to learning about Music and Transportation this month. Instruments will be brought in for the babies to play and respond to a variety of new sounds. We will also encourage the babies to move forward on their stomach and reach for objects on the floor, as well as crawl to get from one place to another. We want to wish everyone a wonderful Mother's day!

Toddler A

Ms. Karin, Ms. Melissa & Ms. Makenna

Wow! April was a very busy month. The toddlers were very excited to have rainy weather during our Rain and Rainbows week. The toddlers were able to experience the rain with all of their senses. The celebration for Earth Day was a huge success. The toddlers loved bugs and digging in the dirt so much and our sensory tub was a great place to use newly acquired vocabulary. The children loved painting our school garden and releasing lady bugs.

May will be just as busy as April. There is so much to do to get ready for our annual Mother's Day Tea Party and Spa celebration. The toddlers will practice naming colors as we make special gifts for our moms. Transportation is always a popular topic in the toddler A classroom. The children will learn new songs, as well as practice their favorite songs. Please be sure to check the events boards in the front lobby for upcoming events this month!

Toddler B

Ms. Kim & Ms. Lala

The month of April went by so fast! Your child is a month older and that means a lot in "baby terms!" While we were dressing up for spring, chasing butterflies and releasing lady bugs, a whole month passed us by.

And May shall be just as fun. Mother's Day is this week and we cannot wait to tell our mommies how much we love them. Next will be Transportation week. We will have fun moving little jeeps back and forth over paint to leave trails to make a wonderful piece of art. We will also have fun making our own paper airplanes and attempting to make them fly. During Music Appreciation week we will play all sorts of music in the background and see how it inspires our art. We will also make maracas with two spoons and a plastic egg with some pasta inside!

A big Happy First Birthday goes out to both Jacob and Ethan on May 8th! We would also like to see you at the Art Show that will be holding on May 13, from 5:30 to 8:00pm, at Panda Express. Come and see!

Beginner A

Ms. Daleana, Ms. Carolyn B & Ms. Elizabeth

We've made our way into May! Thank you to all of our families for being so supportive of all of our current and upcoming school changes. Welcome Lucas and Emiliena and Ms. Elizabeth to our classroom family! May brings some special events to us. I really hope all of our mommies, aunties and Grammies can join us for our Mother's Day tea and gift reveal this Thursday. Later in the month and children will be experimenting with different types of music we will be working on skills related to patterning or ordering. Happy birthday Emiliena, Lucas & Elizabeth!
