### Home Enrichment:

#### Numbers

Skills in counting, adding, subtracting, and dividing can become a part of everyday conversations.

**How to Play:** Look around your house for groups of items. You might find two candlesticks, seven pencils, three hats, or a dozen roses. Take time to count such items. A popular plaything is paper cups. Suggested is to take ten of these and then have fun as you count them, stack them, build with them, or even hide items under them. You might also find ways to add them, subtract them, and even divide these paper cups.
