

October ~ Pre-Todds

Skill Focus

- Points to facial features when named
- Turns pages in book
- Throws a ball forward
- Puts items in a container
- Points with index finger
- Stops in response to "No"
- Bobs or rocks body in response to music

Home Enrichment

Young collector

Go for a walk together and take a bucket with you. Collect small objects that interest your toddler, like stones, leaves, and pinecones. Your toddler will want to carry the bucket, but don't be surprised if they also dump its contents and starts again. Toddlers this age love to fill containers just so they can empty them again. Meanwhile, they are practicing hand movements and developing dexterity.

Reminders & Announcements

Please remember to check your children's extra supply of clothing. Fall mornings & afternoons can be chilly so please make certain appropriate clothing and light weight sweaters and/or jackets are provided.
