

Merryhill School Calvine

Purpose Statement

We are a group of dedicated, enthusiastic, and creative educators that guide our learners to become compassionate leaders who communicate, problem-solve, integrate technology, and contribute in a positive way to the world in which we live.

ESLRs

1. Compassionate Members of the Community:

- a. demonstrate courtesy, generosity, and respect.
- b. use leadership to make a visible difference in the community.
- c. communicate respect for global diversity.
- d. practice behaviors that demonstrate an awareness and respect for the environment.

2. Competent Communicators:

- a. interpret, organize, and exchange information through written, oral, and visual communication.
- b. use active listening skills to construe meaning from debate and form a defensible opinion.

3. Creative and Analytical Trouble Shooters:

- a. use critical thinking to effectively interpret and assess a presented problem.
- b. use information from a variety of sources.
- c. apply knowledge by making connections between systems.

4. Conscientious Contributors:

- a. actively participate as a member of a team.
- b. demonstrate leadership skills by taking an active role in the learning environment.
- c. organize work-flow, manage time efficiently, and demonstrate self-respect.

5. Tech Savvy Students:

- a. use a variety of advanced technologies to effectively communicate and collaborate.
- b. integrate technology into the learning process to increase efficiency and become more environmentally aware.
- c. demonstrate knowledge of physics, mechanical, and electrical engineering.
