## Family Activities Ideas

### *Volunteer Together*

Consider it quality time squared: You get to spend the day with your kids, they learn about the joy of helping others, and everybody makes the world a better place. When choosing an activity, take a cue from the things that your kid loves. If they are obsessed with dogs, they'll enjoy rounding up supplies for the animal shelter; a nature nut will dig a trail cleanup; young children might visit a nursing home or make cards for people in hospitals, while older kids can collect food for a food bank or organize a car wash to raise money for a cause.
