“Lonely”

Written by Grace Trout, In Collaboration with 1st Grade, Room 14

(Chorus 1)

I am lonely, So lonely
I am lonely, So lonely

(V1)

I am feeling quite lonely

All the kids ignore me

When I asked if I could play

They just told me “Go Away!”

(Chorus 1)

I am lonely, So lonely
I am lonely, So lonely

(V2)

Why do they have to be so mean

I really wish that they could see

Whats deep down inside of me

All I want is a friend

(To Chorus 1)
(To Bridge)
(To Chorus 2)

(Bridge)

Don’t let them ruin your day
Don’t let them take your Joy away

Don’t let them ruin your day
Don’t let them take your Joy away

(Chorus 2)

When you’re feeling lonely , So lonely

Remember you are lovely, So lovely
