Here comes the bus!

Nombre _____

Teach your parents or guardians the names of some modes of transportation. Look at the pictures together and help your parents or guardians read each word. Don't forget to say *el* or *la* before each word!

el tren

el avión

el carro

el autobús

la bicicleta

Now play a memory game with your parents or guardians.

What You Need

- Magazine cutouts of the five modes of transportation (train, plane, car, bus, bicycle), 2 pictures of each
- Construction paper
- A good memory!

What You Do

1. Cut the construction paper into ten equal squares.
2. Paste each picture on a square.
3. Place all squares face down on a table or other flat surface, mix them up, and arrange them in rows.
4. The first player turns over a square and says the name of the vehicle in Spanish.
5. If said correctly, he or she turns over another square, trying to find the match.
6. If the player gets a match, he or she picks up the two squares and continues turning over more squares until he or she either cannot say the word in Spanish or does not turn over a match. Then it is the next player's turn.
7. The player with the most pairs wins and has to say all of the words in Spanish.
