Let's Look Around Our Classroom

Nombre _____

Teach your parents or guardians the names of classroom items in Spanish. Look at each picture together and help your parents or guardians say each word. Don't forget to say *el* or *la* before each word!

Now teach your parents or guardians the numbers 1–10 in Spanish. Read each number aloud and have your parents or guardians say it after you:

1 uno

2 dos

3 tres

4 cuatro

5 cinco

6 seis

7 siete

8 ocho

9 nueve

10 diez

Make a set of number index cards. Write the number on one side and the Spanish word for the number on the other side. Put the cards in order and hold them up one by one. Ask your parents or guardians to say the word for the number. Then have your parents or guardians hold up the cards one by one for you to say the number. Keep the cards in a safe place to use them again later.
