Vamos a contar hasta cuarenta

Let's Count to Forty

Nombre \_\_\_\_\_

Teach your parents or guardians more clothing words in Spanish. Look at the pictures together and help your parents or guardians say each word. Don't forget to say **un, unos, una, or unas** before each word!

una falda

una chaqueta

un pijama

un traje de baño

unas gafas de sol

unos pantalones cortos

Practice all of the different clothing words you have learned. Cut out from old magazines pictures of different clothing. Then mix and match what you have cut out to create silly outfits. See who can create the silliest one! To win, you have to be able to name all of the clothing in your silly outfit—in Spanish!

Now teach your parents or guardians the numbers 31–40. Read each number aloud and have your parents or guardians say it after you.

**31** treinta y uno

**32** treinta y dos

**33** treinta y tres

**34** treinta y cuatro

**35** treinta y cinco

**36** treinta y seis

**37** treinta y siete

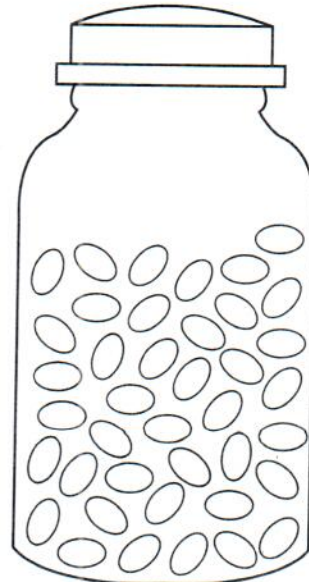

**38** treinta y ocho

**39** treinta y nueve

**40** cuarenta

Make index cards for the numbers. Write the number on one side and the Spanish word on the other side. Put the cards in order and hold up each card, one by one. Ask your parents or guardians to say the word for the number. Then have your parents or guardians hold up the cards for you to say the number.

Now how many jellybeans are in the jar? Who can count them the fastest?
