

Beginner B

February 2017 Newsletter

At Merryhill School, we provide a positive and nurturing learning environment where children are prepared for their future through friendship, teacher guidance and a thoughtful and engaging curriculum."

This Month We are Learning...

We will be learning about animals that live in the forest, the zoo and the farm. We will be practicing our skills consisting of using safety scissors, recognizing our names, colors, shapes, numbers and holding a crayon correctly.

Don't Forget!

- February 20th Closed for Professional Development Day
- February 14th Valentine Exchange

Try This At Home...

Point out objects in your home and discuss what color and shape these are.

Practice table manners and cleaning up after meal time.
