

Welcome!

As a continuation of our Links to Learning® curriculum, our summer session offers a fun-filled experience for children ages 6 weeks to 5 years old. Each week, preschoolers jump into action, participating in fun and exciting activities and special events.

Our preschoolers have the opportunity to expand their horizons during the summer, embarking on new adventures, and having fun!

Although we want the children to have the best summer possible, we can't forget about all they've learned during the school year.

Our Links to Learning® summer curriculum is designed to review and strengthen skills taught during the school year. Various academic activities will be integrated throughout your child's daily summer experience.

Our summer session will inspire your child's mind to engage, explore, create and stay active this summer!

**The key to
8 weeks of
summer fun!**

Summer Preschool Schedule

June 12th – August 4th

Links to Learning

Weekly Themes

- WEEK 1** Mysterious Mixtures
- WEEK 2** On the Boardwalk
- WEEK 3** Treasure Hunters
- WEEK 4** Color Me Happy
- WEEK 5** Move It! Mix It! Mess It! Do It!
- WEEK 6** Fossil Find
- WEEK 7** Hiding in the Garden
- WEEK 8** Building Without Blocks

Weekly Themes

Mysterious Mixtures

Students will practice a variety of kitchen skills while creating delicious concoctions. Along with habits of self-help and good nutrition, they learn important academic, social and physical skills.

On the Boardwalk

We're bringing the beach to you this summer. Students will dive into seaside adventures while exploring ocean creatures, building sand castles, and playing beach games.

Treasure Hunters

Students will set sail on a pirate-themed voyage. They build pirate ships, search for hidden treasure, and even test their balance and coordination skills by walking the plank.

Color Me Happy

Explore the wonderful world of color! From painting, to sculpting, to drawing and more, students mix colors and let their creativity run wild.

Move It! Mix It! Mess it! Do it!

Messy science experiences are the best kind. Our students get their hands dirty to create homemade play dough, "oobleck," 3D sand art, and more.

Fossil Find

Learn all about the mysterious lives of dinosaurs and the scientists who study them. The children will read stories about pre-historic life, dig for fossils, and use clues to uncover dinosaur eggs.

Hiding in the Garden

Students will investigate all aspects of Mother Nature including weather, bugs, and habitats. Their green thumbs will be put to the test as they create their own mini gardens and learn about the life cycle of plants.

Building without Blocks

Children will learn to think outside the box to create structures using various materials such as cups, sticks, cardboard boxes, and milk jugs. The possibilities are endless.

2017 Summer Session Schedule

3 and 5 day options available.
Please indicate half, full, or extended days.

Half, Full, Extended	Camp Weeks	M	T	W	R	F
	Week 1 June 12 – 16
