Cover up the words and point to each picture to see if your parents or guardians can name each fun thing. Then have them cover up the words and point to each picture to see if you can name each fun thing, too!

Have your parents or guardians help you make Spanish labels for any of the items you have in your home, using sticky notes or small slips of paper. Then tag the items so that for one week you and your family can refer to them by their Spanish name.

Now teach your parents or guardians how to ask you what you want to do. Read the question and have your parents or guardians repeat it after you.

¿Qué quieres hacer?
