Meeting the People in Our School

Nombre \_\_\_\_\_

Teach your parents or guardians the words for people who work in the school. Read the words aloud to your parents or guardians and have them repeat them after you. Don't forget to use *el* or *la* before each word!

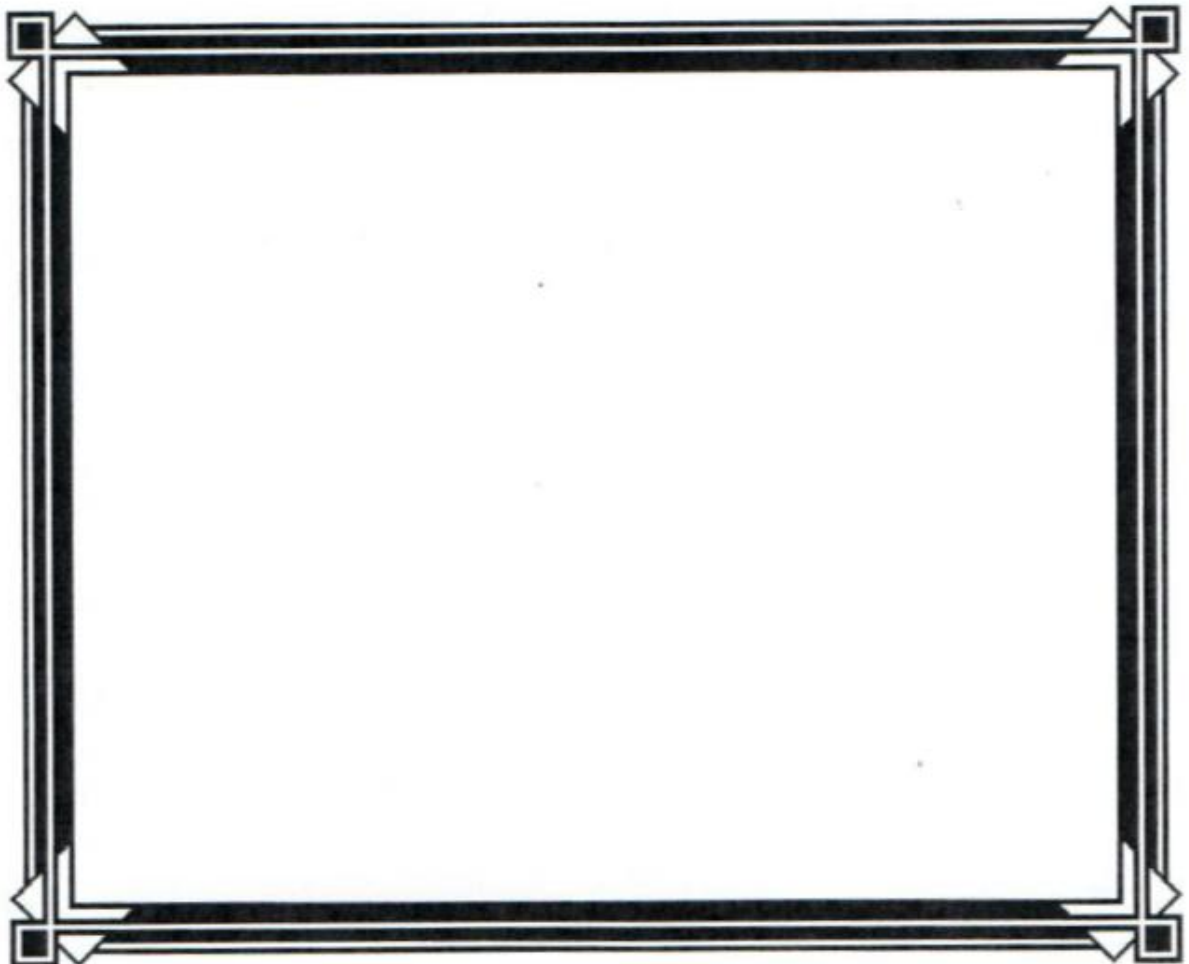

*el* director                      *male school principal*  
*la* directora                    *female school principal*

*el* secretario                    *male secretary*  
*la* secretaria                    *female secretary*

*el* enfermero                    *male nurse*  
*la* enfermera                    *female nurse*

In the frame below draw a picture of your school's principal, secretary, or nurse. Ask your parents or guardians to help you write the occupation of the person you drew and the person's name on the line below the picture.
