Master **128**  
How old are you?

Nombre \_\_\_\_\_

Teach your parents or guardians some expressions with **tener** (*to have*). Look at each picture together and say the expression. Ask your parents or guardians to say the word after you.

Tengo frío.

Tengo calor.

Tengo hambre.

Tengo sed.

Tengo miedo.

Tengo sueño.

Tengo dolor.

Tengo prisa.

Tengo suerte.

To make sure your parents or guardians have learned the expressions, cover them up with a piece of paper. Then point to each picture and have your parents or guardians say the expression that goes with it. Don't let your parents or guardians peek!

Then ask your parents or guardians to cover up the expressions so that you can show them that you know the expressions, too!

Now play this fun game.
