Let's Learn About Our Family

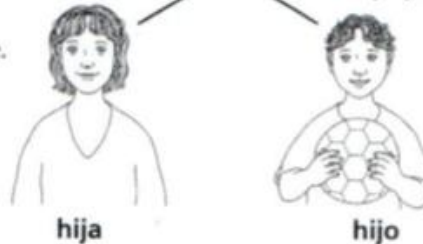

Nombre _____

Teach your parents or guardians the names of family members. Read the words aloud and have your parents or guardians repeat them after you. Remember to say *el* or *la*.

el padre or el papá (father, dad)
la madre or la mamá (mother, mom)
el hijo (son)
la hija (daughter)
el hermano (brother)
la hermana (sister)
el abuelo (grandfather)
la abuela (grandmother)

Look at this family tree.
Tell your parents or guardians who each person is.

Now teach your parents or guardians how to ask and answer this question about the family.

¿Quién es?

Who is it?

Es ____ (el papá, la mamá, etc.).

It's ____ (the father, the mother, etc.)

Point to someone on the family tree and ask the question. Answer it yourself first. Ask the question again and have your parents or guardians repeat it. Then tell them to answer the question. Now switch roles and have your parents or guardians point to different people on the family tree and ask you the question.

The next time you look at family pictures with your parents or guardians, ask them who the people in the picture are—in Spanish!
