

Nombre \_\_\_\_\_

Teach your parents or guardians how to express emotions in Spanish. Look at each picture together and help your parents or guardians read the expression for each picture after you.

Parent Signature \_\_\_\_\_

Practice saying the expressions several times with your parents or guardians. To be sure that they have learned the expressions well, cover up the words in Spanish with a piece of paper. Then point to each picture and ask your parents or guardians to say what the child in each picture is saying. Then switch roles and have your parents or guardians cover the words for you to say.

Now play this fun game in Spanish.

**¡Pon las palabras en mi boca!** (*Put the Words in My Mouth!*)

### What You Need

To know how to act out emotions

### What You Do

1. Choose an emotion to act out.
2. Don't tell which emotion you have chosen.
3. Act out the emotion for other players to guess.
4. The person who guesses first gets to act out next.
