Let's Talk on the Telephone

Nombre _____

Look at the pictures below with your parents or guardians. Help them read the name of each item.

el teléfono

el teléfono celular

Everyone likes to talk on the telephone. And it's fun to talk on the telephone in Spanish, too! Teach your parents or guardians how to ask and answer this question:

¿Qué haces?
Hablo por teléfono.

What are you doing?
I'm talking on the telephone.

Ask the question and have your parents or guardians repeat it after you. Then answer the question yourself first. Have a pretend telephone conversation with your parents or guardians, asking and answering the question.

Now read the following expression with your parents or guardians:

Marca el número ____.

Dial the number ____.

Practice using this expression with your parents or guardians by asking them to dial the telephone number of one of your friends. Switch roles and have them ask you to dial a number.
