PRESCHOOL PROGRAM

Summer Enhancements • Ages 3 - 4

Every day is a fun, new discovery. We're committed to making summer extra special for our youngest students because we understand that summertime memories last a lifetime! As an extension of our Links to Learning curriculum, we introduce on-campus events and additional fun activities designed for children aged 3 to 4. Campers must be fully potty-trained to attend.

Color Me Happy

Color the world around you! Campers mix colors and shape their creativity through painting, sculpting, drawing, and more!

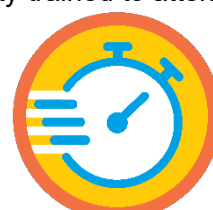

All Sorts of Sports!

Campers team up to play a variety of different sports and games, all while learning the importance of teamwork!

Kids Helping Kids

Our campers will learn the importance of giving back as they work together to help community members in need.

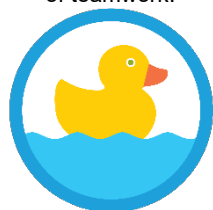

Minute to Win It

Ready, set, go! Campers will get a thrill from working together to complete fun, and sometimes silly, tasks before the time runs out on the clock.

Tinker Around

Campers learn all about simple machines by engaging in hands-on activities to discover their inner workings, then using what they have learned to design and invent their own machines.

Water, Water Everywhere

Campers will make a splash this summer with water-themed games, interactive water tables, sprinkler runs, and so much more. Don't forget your suit!

Shake It Out

Lace up your dancing shoes and let's boogie! Campers show off their inner performer and express themselves through dance, drama, and music!

Storybook Summer

Campers open a world of magical adventures with talking animals, dragons, superheroes, and so much more as they use song, dance, and dramatic play to bring books to life!

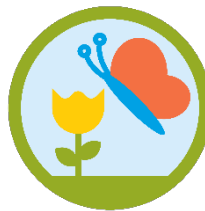

Messy Mixtures & Experiments

Grab your gloves and goggles, it's time to experiment! Our campers will discover the scientific secrets to creating their own play dough, "oobleck", 3D sand paintings and more!

Mysteries at the Museum

Campers explore the world of museums, working on problem-solving skills with their fellow campers to navigate group projects and peer interactions that encourage positive relationships and critical thinking.

Hiding in the Garden

Campers explore the aspects of their environment including weather, bugs, and different habitats. Campers then use their new knowledge to create their own mini gardens!

Swimming Enhancement

Rising 1st – 5th Grade

***Students must have completed Kindergarten to participate.**

Aquatics Safety

Swimming is a fun and essential life skill for children of all ages. We provide students with the skills and experiences needed to feel confident in the water. Our personalized teaching approach allows each child to learn swimming skills comfortably and safely at their own pace. Children learn the features of a safe swimming environment and important safety habits, such as never swimming alone or without adult supervision.

Memorable On-Campus Events

Rising Kindergarten – 5th Grade

Fabulous Foam Vegas

Fabulous Foam Vegas provides a fun foam experience for the kids! We'll have two events scheduled for the summer!

Petting Zoo to You

Petting Zoo to You will be swinging in to teach the kids about animals from the Southern Hemisphere. Typical animals include llamas, macaws, and the Patagonian mara.

Discovery on Wheels

Discovery Children's Museum will be bringing by their Discovery on Wheels program for grade specific presentations for all of our campers presented by one of their professional museum educators.

Bricks 4 Kidz

Bricks 4 Kidz uses LEGO Bricks that kids love, to deliver hands-on lessons correlated to cross-disciplinary curriculum objectives. The Bricks 4 Kidz approach to learning is imaginative, multi-sensory and fun, creating dynamic learning experience for our students.

ACADEMIC CAMPS

Keep learning while having fun! • Rising K - 5th Grade

Academic camps are a wonderful way to enhance your child's love of learning while focusing on a specific subject. From math and robotics to literature and creative writing, we have something for every student. Campers work independently and in small groups to apply real-life experiences to lessons learned in the classroom.

Kindergarten Enrichment

Step into the crucial pre-kindergarten months with Kindergarten Enrichment: A Pre-K to K Adventure! This program bridges the transition from preschool to kindergarten, laying the foundation for a lifelong love of learning.

We work on sharpening literacy and math skills, while also providing opportunities for your child to practice kindergarten etiquette through authentic play and collaborative learning.

Keep learning while having fun

Rising 1st – 5th Grade

Academic Bridge Camp

Our Academic Bridge Camp helps students reinforce their learning from the previous school year and build deeper understanding in preparation for the upcoming year. Our fun and engaging lessons are facilitated by certified teachers. Through reading and writing, students build vocabulary and comprehension skills as they explore important social-emotional themes such as friendship, forgiveness, and standing up for others. Students also engage in STEM activities with an emphasis on deep understanding, strategic practice and technology integration.

Each week has a different and engaging theme to help bring learning to life. Students will have the opportunity to create their own DIY stuffed animal tied to the theme!
