

Merryhill Preschool

AT HENDERSON

FROM THE PRINCIPAL'S CORNER

It's finally Fall and one of my favorite times of the year! Cooler weather, pumpkins, outdoor activities, sports and best of all Halloween! Learning is so much more fun when we can take it outside after being indoors all summer! We have some fun family events planned this month so please read ahead.

EVERY FIRST MONDAY ON THE GO!

We know how busy parents are with work, parenting and after school activities. Weekends are always packed with things that need to be done. So to help take one thing off your plates, we are hosting on every first Monday of each month, a Grab N' Go Monday. Monday, October 7th, we will have fruit, yogurt/protein shake, granola bars and of course coffee for you to grab after dropping off your little ones with us. We all know that as parents, we come second to everything else, so we want you to know you come first to us!

VEGAS GOLDEN KNIGHTS DAY!

NHL will kick off their 2019-2020 season on Wednesday, October 2nd. Let's support our Golden Knights and the first game of the season by wearing your favorite Golden Knights gear to school

FUN FRIDAY - MARCO'S PIZZA!

Once again we are here to take something else off your plate and one less lunch you have to plan! Friday October 11th is Fun Friday for rooms 3 - 8 (Beginners - Pre-K2). If you haven't paid for your meal, please see us at the front desk.

HALLOWEEN EXTRAVAGAN ZA!

Who doesn't love a fun-filled Halloween Party. Join us on Friday, October 18th from 5 - 7 pm for some Spooktacular fun! This year we will have food, games, candy, electronic animal rides, face painting and a petting zoo with some interesting animals. Tickets will go on sale October 7th - 18th.

COOLER TEMPS ARE FINALLY IN THE FORECAST

With the start of Fall, we finally are getting some cooler temps, well at least for the mornings at least, which means your little one may need a light sweater to have in the class, just in case they are chilly. Please make sure to check in with your child's teacher to make sure we have a change of clothes in the classroom that is weather appropriate.
