February News

News from the Office

The year is off to a great start so far and we're enjoying spending the winter season with you and your children. This time of year our students spend extra time participating in our SPARK physical fitness program, ensuring that they are able to work on their gross motor skills no matter the weather. We're having a great time jumping, dancing and playing together!

We wanted to let our families know that Mrs. Erin has decided to leave us to start a new adventure since she has graduated from school. If you have any questions please let myself or Ms. A know. Have a wonderful month and Happy Valentine's Day!
