Drop-off Procedure

Due to Covid restrictions and new practices implemented, we have reinvented our drop off procedure in hopes of creating an easier and more efficient routine for our families.

Morning Drop-off

- Please enter the driveway, closest to Camping World, and drive in around the back of the school.
- Please pull up curbside and stop at the concrete walkway leading to the front door.
- A staff member will greet you at your car and perform the temperature check.
- Your child(ren) will be escorted into school.
- Please attempt to arrive on time. If by chance your arrival is after 8:30am, please park and walk your child to the front office. A staff member will assist you at the door.

Helpful Tips:

- If possible, have your child seated on the passenger side of the vehicle.
- Have jackets on and belongings packed and ready to go.

Afternoon Pick-up

- Please enter the driveway, closest to Camping World, and drive in around the back of the school.
- Please post your name card in a visible location; be aware of slanted dashboards.
- Upon arrival, please pull all the way forward to the large sign near the front driveway.
- As the car in front of you leaves, continue to pull forward toward the large sign. This helps prevent a back up of vehicles.
- Please stay in your car. We will bring your child(ren) to you. Please consider the exception to families with children who need assistance with buckling their car seats.
- Have a conversation with your child to ensure safety rules of waiting for the appropriate time and walking with an adult to your car.

We thank you for your patience and cooperation,

Merryhill School & Staff
