

January Newsletter

FROM MS. KAREN LARA'S DESK

WELCOME BACK FAMILIES!!

Happy New Year everybody, it has been a great start of the year. So far 2021 has brought us joy as we welcome new students and new staff into our building. We love to see all of our students walk through our school doors excited about seeing their friends, teachers and having a wonderful day filled with many learning activities that we have planned ahead.

We are looking forward to continue this school year with the same excitement we have had since day 1. With this same excitement we look forward to many different events and activities at our school.

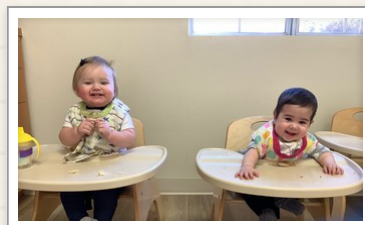

Please read and see all the information in this newsletter, as I want our Merryhill community to be informed on all that is happening here at our school.
