Dear Merryhill Parents,

Due to COVID-19, we will not be providing lunch at this time . We are asking our students to bring a “ready to eat” lunch that will be served in the classroom following the appropriate physical distancing practices as well as proper sanitizing procedures.

Lunch boxes will be stored in your child’s cubby and sent home at the end of the day. We recommend the use of thermos to keep food items warm and ice pack to keep items cold.

The school will continue to serve morning and afternoon snack and we will also have milk and water available to students as needed using disposable cups. Sippy cups that will be washed after each use will be available in the Infant and Toddler classes. Reusable cups and water bottles from home will not be permitted until further notice.

We thank you for your patience and understanding during this transition.
