FROM MS. KAREN LARA

SEPTEMBER 2021

What a wonderful month of back to school we've had, welcoming students and families every morning into our building brings warmth to our hearts and smiles to our faces.

Thank you for always making each day a special day for your child and for trusting me and my staff on their learning journey, we look forward to seeing their smiles every day, we enjoy a conversation with them and mostly, watch them have fun in their class.

As a school we will continue to support each other, we will continue to celebrate each other and take pride in the accomplishments of this wonderful community. You continue to amaze me with your commitment and dedication to the children and our school.

Keep an eye on all your emails for any updates, this month we have made some renovations on our grass area and toddler playground, they look amazing and kids can't wait to use this area during their outside time.

We will have new equipment coming soon for our toddler playground and we never stop purchasing more outdoor items for all students to enjoy in our older playground.

We will be working along with Better Lunch soon and be able to provide hot lunches for all students that sign up, this will be coming soon so please check your emails for information on this.

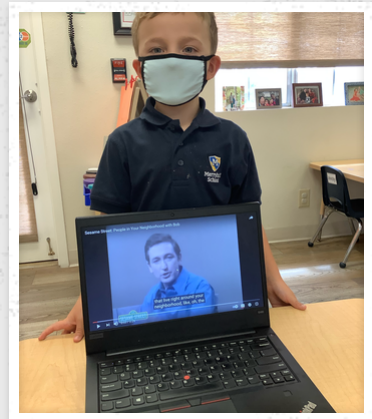

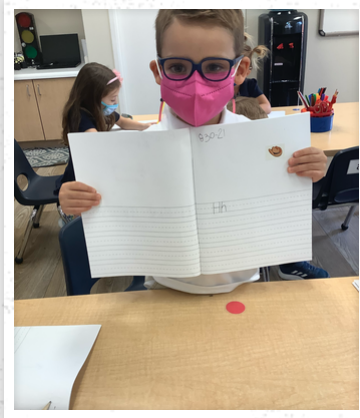

Thank you,
Ms. Karen Lara
Principal
Merryhill School
