Merryhill @ Mountain's Edge

Principal's Corner

Surely we can't believe that it is October already! Where did the time go, we just started school like what seems like yesterday. We have been very busy here at Mountain's Edge, getting our little ones in a routine, creating memories and exploring and growing our enrollment. Thank you for continuing to spread the word about our school. It is because of you that we now have over 80 families enrolled. Even with hitting some bumps along the way, your little ones are engaged and learning while they are here.
