

February Newsletter

From Ms. Karen's Desk

Dear Families,

Happy February! We have planned a busy and exciting month with all of the amazing learning and fun activities that our teachers and staff have ready for February.

Early Registration is upon us and we are ready for all families to start their registration process for the up coming 2022 - 2023 school year.

Don't forget to always check our monthly menu, calendar and other important information that is uploaded to our website.

In addition to our website, we invite all families to continue direct communication with teachers through our Links 2 Home app. This is a wonderful way to always keep in touch with our staff and check on your child's daily report.

Please read all information in this newsletter, we want all parents to be informed on up coming updates and be able to see what a wonderful learning experience children are having here at Merryhill.

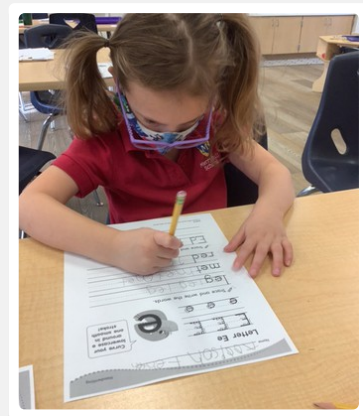

Sincerely,
Ms. Karen Lara

Art and fine motor skills

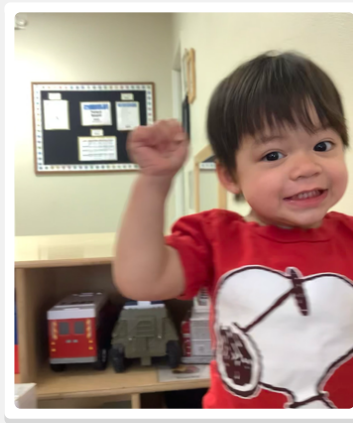

Infant milestones

Kindergarten standards

Color recognition and fine motor skills

Following songs and dramatic play

Infant fun

Infants work on Milestones.

100 Days of School

Science experiments
