Preschool Program

We're in session for summer!

Ages 3 - 5 years old (must be potty-trained)

As a continuation of our Links to Learning curriculum, our summer program is a fun-filled adventure for children ages 3 to 5. Each week, preschoolers jump into action, participating in fun and exciting activities and special events. Our activity blocks are sprinkled throughout each week, giving preschoolers fun and variety in their camp day.

Camping Out

Children become master campers as they set up tents, sing campfire songs, make yummy treats, and explore other fun camping activities.

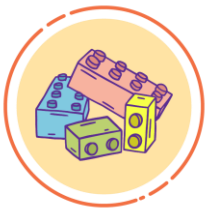

Game Time

Campers will practice sportsmanship through sports and games that focus on sharing, taking turns, and being a good friend.

Little Sprouts

Our young environmentalists will get their hands dirty as they learn all about how sunshine, water, and nurturing helps tiny seeds grow into plants.

Under Construction

We'll be making quite the mess this summer as campers participate in hands-on building projects using Legos, foam, clay, and more.

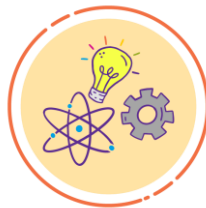

Move to the Beat

This summer, students will gain independence and self confidence as they move their bodies and explore various musical instruments.

Minute to Win it

Ready, set, go! Campers will get a thrill from working together to complete fun, and sometimes silly, tasks before the time runs out on the clock.

STEAMing Along

Our little learners will experience S.T.E.A.M. through fun projects that encourage them to ask questions, problem solve, and explore.

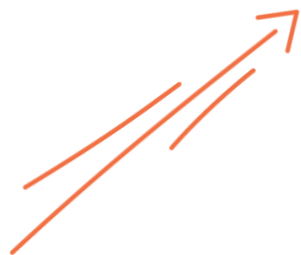

Get Crafty

Campers will get crafty as they use a hodgepodge of materials to create wacky and abstract masterpieces.

Out of this World

3, 2, 1... blast off! We'll be going on an out of this world adventure as we learn about the sun, moon, Earth, and other parts of our solar system.
