We would not be able to do substitutions on the lunch menu due to food restrictions. If your child done not eat what is being served on a given day, you are welcome to send a lunch box with a ready to eat lunch. We recommend the use of thermos to keep food items warm and ice packs to keep items cold, need be.

We will be doing our best to provide all menu choices listed daily. Menu items are subject to change based on availability of our suppliers.

The school will continue to serve morning and afternoon snack and we will also have milk and water available to students as needed using disposable cups. Sippy cups that will be washed after each use will be available in the Infant and Toddler classes.
