

REFER A FRIEND

Receive a \$500 tuition credit as a thank you

Merryhill
School®

We know that great families know other great families, and the highest compliment our parents can give us is the referral of a family member, friend, or colleague.

Every child deserves a Merryhill School education. By sharing our school with others, you help to ensure that other students receive the same outstanding education as your child, while helping our community to thrive and grow.

The referral program is really simple:

1. Refer a family member, friend, or colleague to any program offered at your campuses.
2. The referring family will receive a tuition credit of \$500 for every new student referred (*up to three students*). The referred family will also receive a \$500 family tuition credit.
3. New to our school this year? You can still participate by referring other new families.
4. To qualify, please make sure to submit this form either before the referred family applies or within one week of their application submission.

Participation is easy!

You can make an email introduction, and we can take it from here.
