

Teacher Appreciation Week

May 4-7, 2026

Teacher Appreciation is a week dedicated to all the teachers all around the world. Its a time to say “thank you” to our teachers for all their help, and to show gratitude for all the time and effort they put into our children’s care and education.

We have come up with daily appreciation events that will show our teachers how much we value everything they do :

We kindly invite you to participate by contributing a small, thoughtful gesture each day that your teacher will love, helping us make them feel truly appreciated all week long!

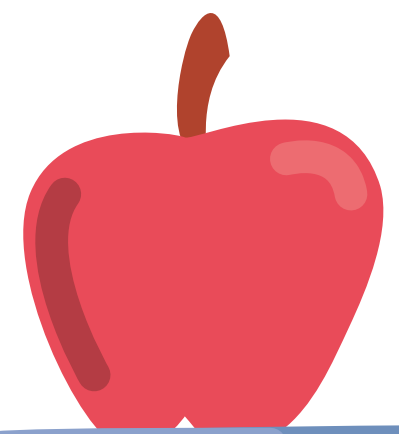

Monday- A sweet note or drawing from your child sharing why they love their teacher.

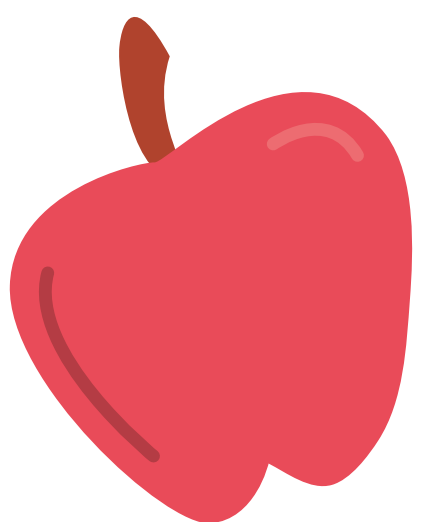

Tuesday- Breakfast for Teachers - Provided by Admin

Wednesday- A simple supply of tissue, a gift card, a favorite drink ..whatever you choose to make their day complete!

Thursday- Potluck for Teachers ! -Sign up sheet available in front lobby

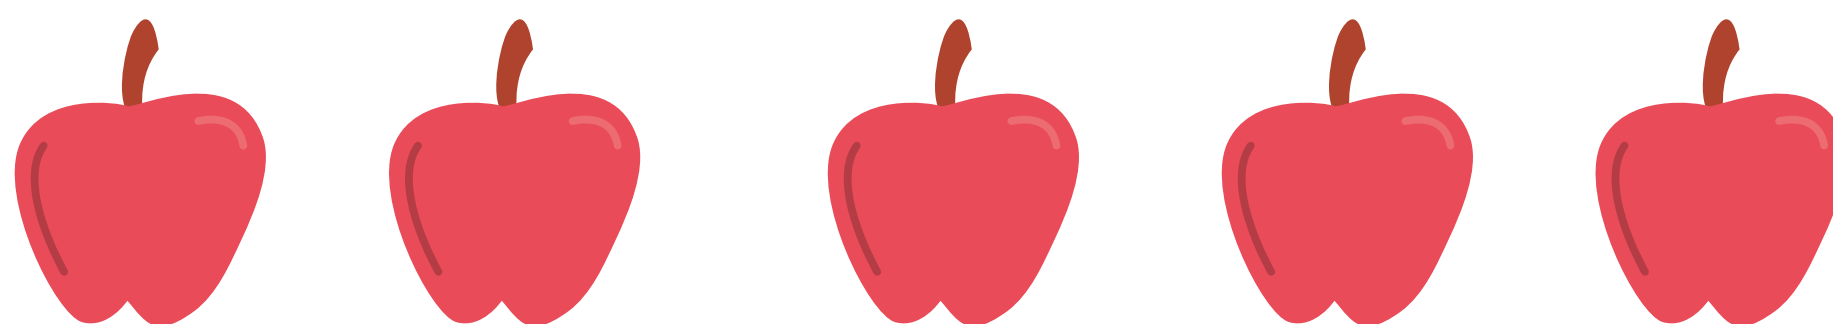

THANK YOU TEACHERS
